IDLE THOUGHTS BY JOHN STARK

We made it through last months meeting without the aid of a newsletter for the month of July. Sorry about that I will try to keep up with it. It doesn't seem like that much, but with commuting back and forth to Atlantic City I am beat by the time I get home. I have not touched a model since March and that just doesn't seem right. I was able to make the Raceway park display though. I had my faithful navigator Mike Capasso with me. Doug Van Houten, Ed Hornlien, Guy Wright, Pete Linszky, Bob Kern and Robert were amongst those in attendance. Once again Walt Frey set us up very nicely. We set up around 9 am and called it a day around 3:30, then went to the grandstands and watched about 2 hours worth of racing. We missed you Dave and Julie. We had a nice little conversation with Jungle Pam and the many guests that stopped by to check out the display. Sorry to say I could not make the Monmouth County Fair display this year, with the aforementioned Atlantic City job, and of all things I came down with a cold that wiped me out. Ed Isnardi, Larry Housman, Ed Hornlien managed to take care of everything and I hope they will tell us all about it at the August meeting.

Summer is drawing to a close so I hope to be building again soon, so until then I will just keep checking out the modeling mags that I have stockpiled. Check out Daves updates in the newsletter as far as the themes and contests that are coming up. By the way the Christmas contest kits should be coming soon. Keep your fingers crossed.

Remember it is only a hobby, let's all try to keep it fun.
