IDLE THOUGHTS BY JOHN STARK

Great showing Friday night. We had a lot of members in attendance, and a real good time. It was nice to have Walt back on a Friday night and his classic older builds. They look as good from back then as my current builds do. Christmas time will soon be upon us and plans are underway for our Christmas party. The First Aid Squad is once again going to let us use the downstairs, the trophy plaques are ordered, I am going to talk to the pizza place, and do whatever shopping I need to do and we will be set.

By the time you get this I will have been to the Philly party, the Pine Barrens party and the Tri-State party. There are just not enough hours in the day, but I will try to make do. How about you? Is the shopping done, cookies made and all the other Holiday goodies ? Leave enough time to be with us and enjoy a great night out.

THEMES

We are pretty well settled on next years monthly themes and the quarterly contests will be set hopefully by January, more on that will be in Dec or January's newsletter, stay tuned.

Ed Isnardi also brought up that he and a couple of members would like to work on the monthly themes in the future, to take some of the load off the officers. I like the idea and I would like to see other club members help out in this effort, after all it is your club, and your input is valuable.

I hope everyone has got something built for the Christmas build, we should have a table full of works of art for all to enjoy.

BIG SIT

The Big Sit is set for February 25, 2012. It will be at Mainline Hobbies now located in the Plymouth Meeting Mall, 500 W Germantown Pike #2085 Plymouth Meeting PA from 10:30 AM until,,,,,,
Try to make it if you can, it is always a good time.

That's all for now, Keep safe and we will see you at the Party. Remember modeling is a hobby (or maybe a way of life) whatever you feel, KEEP IT FUN.

If we don't see you at the meeting, You and your families have a safe and Happy Holiday season and we will see you in 2012.

DUES,DUES,DUES

Don't forget it is time to start paying your yearly dues again, if you don't pay your membership will lapse, as well as missing out on the newsletter and all the things that make the club as great as it is. For the most part you being there.

CHRISTMAS PARTY

If you are coming to the party you must let me know. I need a rough head count so we don't run out of anything. See me at the meeting or e-mail me. It is very important, so please respond. **Don't forget the theme build this year is anything Christmas**

CHRISTMAS BUILD UPDATE

The theme has been changed because the Hudson's were not out in time. Because it is a popular vote contest the members voted to change the theme to CHRISTMAS. The build can be anything as long as it is a Christmas theme.

The Hudson will be our 2012 Christmas Kit bash build. Therefore there will be no need to vote on a 2012 model kit. We are just pushing the Hudson back to next year.

NOVEMBER KIT RAFFLE WINNERS

Larry Housman, Bob Kern and Mike Capasso.

CONTEST SCHEDULE AND THEMES

DEC. Christmas Party / Anything Goes as long as it's **CHRISTMAS RELATED!**
