IDLE THOUGHTS BY JOHN STARK

CHRISTMAS PARTY 2010

I hope everyone enjoyed the Club Christmas party, I know I did. It is a good time seeing everyone before the holidays. We pounded down some pizza this year, I hope no one left hungry. I also hope you all had a safe and happy holiday season and managed to survive the blizzard of 2010. I mentioned something on the message board and I would like the clubs thoughts on including the wives, girlfriends and children to participate in a build contest for them at the Christmas meeting. They could build anything they prefer and would be judged separately, by a couple of club members on build quality, finish etc., and we could award plaques to the winners in the respective classes. My feeling is that they attend, and it might make it a more interesting night to include them in our hobby. What are your thoughts? We will discuss it at the January meeting

Congratulations to our 2010 award winners, in the quarterly contests they were: 5th Place; Felix Plaza Jr, 4th Place: Ed Isnardi. 3rd Place: Chuck Rehberger, 2nd Place: John Stark, and our 1st Place award winner: Gary Husted

Christmas Contest award winners are 3rd place: Tory Mucaro, 2nd place: Ed Isnardi and 1st place Gary Husted

Congratulations to all our winners, and a big Thank you to all who enter the contests throughout the year and a big thanks to Mike Capasso and Dave Wood who keep the contests running and keep the themes interesting. Now let's see what you guys can do with the Hudson Hornets for the 2011 Christmas build.

MAMA'S CHRISTMAS PARTY

The day after our party I met up with Greg (I Got Me A Winter Car) Hogg, Bob (the Pope of Philadelphia) Doebley and Tom (el tanque) Kortman and headed down to Maryland to join the MAMA's club and join their Christmas party festivities. We had a fantastic time visiting our southern brothers even with all the traffic there and back. It was on our way

home that we assumed our super hero qualities as we became the AARP search and rescue team, but that's another story for another time. For me traveling from Lakewood, it basically turned into a twelve hour day. A long day but it was a good time. Seems like more than enough information to process for now, so I will wrap it up, Remember it is a hobby-KEEP IT FUN
