**IDLE THOUGHTS BY JOHN STARK**

**Holy gassers baby. What a great showing we had at the last meeting. Attendance was great and everyone seemed to enjoy themselves. If you were not there you missed a great night. I hope everyone has withstood the earthquake, Hurricane Irene, the weeks worth of rain flooding, missed newsletters, and whatever else mother nature throws at us. We sure have had our share of catastrophes haven't we. With Labor day passed and the weather soon to turn cooler it is now time to turn our attention to building things. As I said in the last newsletter, I really haven't touched a model in months. But in the past two weeks I have again started painting and trying to finish some of my started projects, along with my contest builds, I hope a lot of you are doing the same.**

**GASSER CONTEST**

**We only had 8 gasser's entered into the contest, but what great looking models they were. Voting was close, but the winner was Mr. Tory Mucaro , also placing on this night were, Chuck Rehberger taking second, Dave Wood and Stash Serzin tied for third and Doug VanHouten taking the wild card.**

**QUARTERLY CONTEST POINTS**

**Which brings us to the points so far, as of this newsletter Dave Wood is in the lead with 12 points, Tory Mucaro is a close second with 11 points, Chuck is third with 9 points, Stash is next with 7 points, John White, Felix Plaza Jr are next with 6 points, Carl Simeone, Doug**

**VanHouten are next with 5 points, Gary Husted and Dave Coppolino follow with 4 points, Myself and Ed Hornlien are following with 3 points, Larry Housman has two points and Ed Isnardi, Dan Vogel, Floyd Albertson, Bill Kuna, Nick Marcigliano, Bill Merz and Rich Ritter all have one point.**

**As you can see the points race is a close one, with one quarterly contest left in the year, that is Octobers Paper Bag contest. All those models and color picks have been handed out already, so lets see who stands at the top after the Oct. Meeting.**

### **CHRISTMAS BUILD UPDATE**

**The theme has been changed because the Hudson's are not out yet. Because it is a popular vote contest the members voted to change the theme to CHRISTMAS. The build can be anything as long as it is a Christmas theme.**

**The Hudson will be our 2012 Christmas Kit bash build. Therefore there will be no need to vote on a 2012 model kit. We are just pushing the Hudson back to next year.**

### **THANKS**

**I just wanted to throw out a personal thanks to Keith Justice. He is there at pretty much every meeting and always takes care of the kit raffle for us and pretty much whatever else I ask him to do. We kind of tossed him into the Sergeant at Arms position and he handles it well, whatever we throw at him he takes in good humor and always has a good time, I know I can throw some good humored barbs his way and he will roll with them. I have known him for probably some twenty years now thru the club and he is always good natured and good humored. He also tries to keep us up on all things Lakehurst ( even if they may be a month late sometimes), but that is the spirit of the club, have fun and share your other interests. Thanks Keith for being there, helping out and at time being a walking, talking dart board.**

**That's all I have for now, See you on the 16th, DRAG NIGHT, Remember to build something and KEEP IT FUN.**
